Department of History  
Honors Project Application

If you are a current History Major and have an overall GPA of at least 3.0 and a GPA in History of 3.3 or more, you are eligible to apply for Departmental Honors, to be conferred at graduation. An honors project must be completed in connection with a 5000-level course. You must confer with a member of the History Department faculty and provide the subject description of your honors project in the space below. The project must be approved and supervised by two sponsoring faculty members. When the project has been completed, the faculty members will assess the work and determine whether you have qualified for honors.

Please fill out the form below. Forms must be typewritten rather than longhand. Return the completed form (with signatures) to Maria Morisseau in the History Department office, 265 ABAH, by December 3, 2012 (the first Monday in December).
